RE: Pearrygin Lake Access Area Renovations
SEPA #DNS 14-029

Dear Ms. Wood:

Thank you for the opportunity to comment on the determination of nonsignificance for the Pearrygin Lake Access Area Renovations. We have reviewed the documents and have the following comments.

Shorelands/Environmental Program

A 401 Water Quality Certification from Ecology may be required for the proposed work. We recommend contacting and submitting permit applications to Ecology's Central Region Federal 401 Permit Coordinator, Andrea Jedel at ajed461@ecy.wa.gov.

Sincerely,
